"For the word of God is living and active, sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart."

Hebrews 4:12

To Whom It May Concern:

I am writing this letter in support of the outstanding commitment of Chaplain (LtCol.) E. Ray Moore, Jr., to the cause of Christian Education. Chaplain Moore's goal is to assist in the founding and growth of Christian Schools K-12 in the African-American Community. Chaplain Moore believes that it is also important to implement Home schooling options where possible in the African-American community. Both of these projects are part of the Exodus Mandate Project, an outreach of FRONTLINE MINISTRIES, based in Columbia, S.C.

I have known Chaplain Moore for 5 years and I have found him to be a genuine Christian brother and friend. Chaplain Moore has a sincere burden to help our community enhance the growth of K-12 Christian schools. He believes in a strong Christian Educational System where spiritual and scholastic achievement is possible for all Christian children. Fellow pastors and church leaders, if you share in this same burden, will you consider allowing Chaplain E. Ray Moore, Jr. USAR Ret to speak with your church, ministry or denomination leaders? I believe it will be beneficial to African-American communities everywhere.

Sincerely in Christ,
